

Poles

NORDIC PLUS POLES

Fibreglas competition poles for all vaulters, from 3m35 for young beginners to 4m75 for good vaulters.

IMPORTANT : Same model for WOMEN & MEN due to small diameter of poles
SPECIFIC MANUFACTURING for poles of 5m00 and 5m20 according to Flex requirement of each vaulter.

NORDIC EVOLUTION

Nordic Sport has developed a new pole, which is manufactured of a unique and secret mixture of material. The mixture is completely different from all other poles on the market. The Evolution pole have been tested thoroughly with help of both national and international elite vaulters with very impressive result.

Tests show :

- * Lighter than a fibreglass pole
- * Smaller in diameter than a fibreglass pole
- * Bends easy at the beginning of the vault
- * Gives a powerful kick-back at final stage of the vault.

INITIATION POLES

New NORDIC poles for practising and mini stadiums
Made of Fiberglass with the same manufacturing as competitions poles, but these are for young people Unit.

P2000 2m00 pole with 2 plugs (1 on each end).
Playing and practising pole for young people.

P2005 3m00 pole with one plug. Pole which is used then to jump with competition poles.
