

HAND BALL

COMPETITION HANDBALL GOALS

COMPETITION GOAL «CAMELE'HAND»

H4501

EXCLUSIVE MODEL FOR HIGH COMPETITIONS IN CONFORMITY WITH STANDARD EN749 and Sports Code. Similar to competition goal H4525 with front face in aluminium specific 80mm, with foldable and adjustable rear frame.

NEW Depth high competition : 1m50.

We have developed this new HIGH COMPETITION goal very original. Anchorages to the ground are doubled (4 per goal) but colors are customizable...

Thanks to the 7 colors for the frame and the 9 color for the stripes, PERSONALIZE your goals with the colors of your club, of your city or your sponsors.

IMPORTANT : regulation imposes frames being darker than the stripes. The angles are part of the frame.

COLORS AVAILABLE :

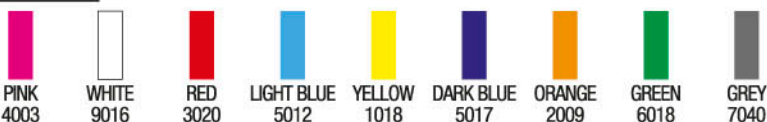

FRAME + REAR

H4503 + color to specify.

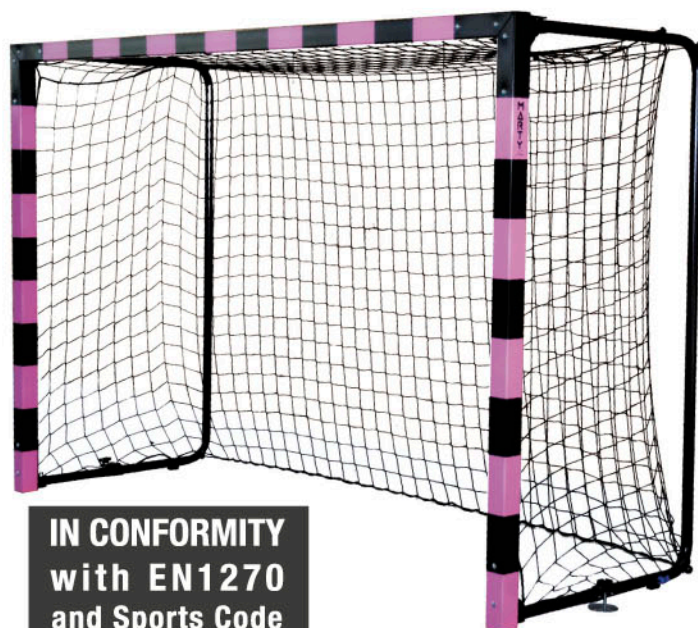

STRIPES

H4504 + color to specify.

EXCLUSIVE
